## Career Objective

Aspiring front-end developer currently learning HTML, CSS, and Bootstrap. Focused on building clean, responsive websites and developing practical skills through hands-on projects. Dedicated to continuous learning and professional growth in web development.

## Skills

- HTML5 & Semantic Structure - Writing well-structured, accessible markup
- CSS3 Styling - Designing visually appealing and responsive layouts
- Bootstrap 5 - Creating mobile-first interfaces with modern UI components
- Git & GitHub Basics - Version control and collaborative coding
- Responsive Design - Ensuring websites look good on all screen sizes
- Creative Thinking & Problem-Solving - Finding design solutions
- Time Management & Communication - Effective collaboration in projects

## Projects

Portfolio Website - Arsha Theme (Bootstrap 5)

Created a responsive personal portfolio using Bootstrap components and layout techniques. This project showcases my progress in HTML, CSS, and Bootstrap.

## Education

Diploma in Travel, Tourism, and Airport Handling

[Institution Name Here] | Completed in 2008

## Work Experience

- Freelance Event Coordinator (2017-2020)
- Managed wedding and corporate events in Amritsar, Chandigarh, and New Delhi
- Collaborated with brands like Oppo, Samsung, Realme, and Croma
- Organized manpower and talent for promotional campaigns and film shoots
- Participated in FASTag awareness drive (2019)

## Courses & Certifications

- Ongoing self-study in Web Development
- Practical learning through real-time projects and hands-on coding
